

# Relocation of Clinic 1A from 1 October 2014

The Addenbrooke's Hospital department of sexual health (Clinic 1A) is joining with community contraception and sexual health clinics across Cambridge.

This means that for the first time you can get all methods of contraception and sexual health services, including STI testing and treatment, at single locations.

From 1 October call us on 0300 300 30 30 to book an appointment for a clinic near you.

Please remember that from 1 October Clinic 1A will no longer be provided from Addenbrooke's Hospital
