ר	The covid pandemic threw new and unexpected challenges at us. I'm immensely proud of our
	community pharmacy teams. We faced up to these challenges head on. Community pharmacy
	stayed open delivering face to face services for our patients/customers as requested by the
	government. For a while we were the only face of the NHS. When we were directed to open extra

	hours on the Bank Holidays. We did.
	When asked to take on the national pandemic delivery service to support the clinically vulnerable.
	We did so.
1	When asked to be involved with the Lateral Flow Device distribution. We did so.
1	17 of our pharmacies stepped up to deliver the Covid vaccination services at pace.
	I'd like to share some of our successes, working with our CCG every pharmacy was offered screens
	before any national support.
	Working with our local police force, our community pharmacies were supported by police
-	patrolling and visiting our pharmacies when there was a need to increase the quantities of
C	controlled dugs supplied.
1	Working with our CCG our pharmacies were offered a Care Home service for our 170 Care Homes
(	(£400 per home).
	Working with the CCG 15 pharmacies were commissioned to provide a palliative care emergency
	stock service. (£200 pa)
	We've engaged with our local MPs so they are aware of how community pharmacies stepped up
	over the pandemic and highlighted our value to the NHS. We hosted visits by Paul Bristow MP,
	Sailesh Vara MP, Jonathon Djognaly MP. Community pharmacy has featured in MP tweets,
F	Facebook, websites and in the Hunts Post. Newborough pharmacy was thanked in parliament.
Г	Together with the CCG, Cambridgeshire fire service and our pharmacies we won the National
	Presqipp ward for Patient Safety for the Emollient safety public health campaign.
	We supported Staploe pharmacy's entry to win their C+D HLP award
	We supported Halls pharmacy's entry to win the Cambridgeshirelive Health care Heroes Award.

	were above the recommended levels after the reduced spending during the previous year.	
	Income	
	The primary source of our income (94.7% TY compared with 92.8% LY) as an LPC continues to be	
	from the Statutory PPD levy charges collected from you, our contractors.	
	With the return of face-to-face events our employed team were able to secure sponsorship to	
	cover some of these costs. We also received a refund from HMRC after a miscalculation on their	
	part and £2400 from the CCG for supporting the roll out of DMS at our local trusts.	
	Expenditure	
	As in previous years we have endeavoured to work again to ensure that we deliver real value for	
	you our contractors in the way we spend your money. The four main areas of expenditure remain	
	the same as in previous years namely employees, PSNC levy, office rent and the running of the full	
	committee. This accounted for around 95.6% of total expenditure. The increase in expenditure this	
	year is largely due to a return to face to face meetings, meaning increased locum and travel costs.	
	Therefore, this year I believe once again that financially as an LPC we have demonstrated due diligence in the use of your money and therefore I commend this budget to you as contractors as one that has supported you to deliver the outstanding care for the patients of Cambridgeshire and Peterborough that you continue to do whilst being supported by your LPC. We do however accept that we can always improve and will continue to strive to that end and so we are always open to any ideas and challenges and are happy to discuss all expenditure with any contractor should they wish.	
	Copies of this report and the annual accounts will be available on the LPC website if you would like	
	to have a copy.	
	I invite any questions
