

## **EoE Renal Network invites you to our AKI Webinar**

Monday 16<sup>th</sup> September 2024, 13:00 –13:45

### **Acute Kidney Injury (AKI) Webinar – September 2024**

An overview and update on Acute Kidney Injury (AKI) and an introduction to the September AKI focus week 2024.

This will be a great opportunity for healthcare professionals – from primary care, community teams, care home teams and secondary care to learn more about how to identify patients at risk of, diagnose and manage patients with AKI. We will welcome discussions about how we can all join up and integrate care approaches as well as share resources and educational materials.
